CHARLES HAS SECRET DAUGHTER

**Birthday sensation
for Prince of Wales**

ROYAL EXCLUSIVE By BARNEY SAMUELS

PRINCE Charles - who turns 70 today - and Princess Diana had a secret baby daughter BEFORE Prince William was born, and the now-grown-up princess is living in hiding in the US, it's been claimed.

**FULL OUTRAGEOUS
STORY PAGES 4&5**

Tommy US visa block is 'fake news'

CONVICTED fraudster Tommy Robinson has branded reports he has been denied a visa to the US as "fake news".

The English Defence League co-founder (above) was due to meet Republicans in Washington this week at the invitation of the Middle East Forum.

But Daniel Pipes, president of the organisation, said Robinson had not been granted a visa in time.

But Robinson – real name Stephen Yaxley Lennon – last night categorically denied his visa application had been rejected.

Robinson is currently barred from the US after trying to enter it using a mate's passport in 2012, having been blocked from travelling because of "multiple criminal convictions, including several for violent conduct and assault as well as mortgage fraud".

Child migrants caught at Dover

THREE children were among a group of Iranians stopped while trying to enter England on a fishing boat, hours after a report identified staffing issues at major checkpoints.

The Home Office confirmed the 17 people were stopped yesterday morning at Dover Harbour.

Reports in France said the vessel was stolen from Boulogne-Sur-Mer on the north coast.

The report found the number of detections at south coast ports fell from 1,119 in 2016-17 to 882 in 2017-18.

Charlie Elphicke, Tory MP for Dover and Deal, urged the Home Office to tighten its checkpoints.

TRUMP BOOBS AGAIN!

TOPLESS female protesters were seized by French police as they ran towards the motorcade carrying President Donald Trump with their busters wobbling like jellies.

The US leader had been en route to a ceremony at the Arc de Triomphe in Paris marking the 100-year anniversary of the armistice that ended World War I.

One protester, who had the words "Fake Peacemaker" written across her chest and anti-war slogans scrawled on other parts of her body, had somehow managed to breach tight security along Champs-Élysées avenue.

She came within a few feet of Trump's limousine before she was caught by police.

At least one other topless

protester also reportedly made it onto the avenue as Trump's motorcade was driving by.

But she was stopped by police before she got close to the cars.

FEMEN, a Ukrainian radical feminist activist group known for its provocative protests, claimed responsibility for the stunt.

DEATH BY CROSSBOW

Medics save unborn child after mum killed

VICTIM: Mother was shot in front of her five kids

DOCTORS have saved the life of an unborn baby after his mother was shot dead with a CROSSBOW.

Heavily pregnant Devi Unmathallegadoo, 35, who was also known as Sana Muhammad, was fatally injured at her home in Ilford, east London, on Monday.

But medics managed to

By COLIN HURST

deliver her son by Caesarean section in hospital.

Her husband, Imtiaz Muhammad, said she was shot in front of her five other children, aged between one and 17, after he found her killer hiding in their garden shed.

The 42-year-old said: "I went to put a cardboard box in the shed. He was there with

the crossbow loaded. "He stared at me, he was going to shoot, so I ran into the house."

"My wife was doing the washing up, I was shouting 'run', 'run', 'run'."

"He shot her. I can't help thinking she took my arrow. "Maybe it should have hit me. The kids were all there, it was horrific."

A Metropolitan Police spokesman confirmed that the baby had been delivered

in hospital, where he remains.

The dead woman's ex-husband Ramanodge Unmathallegadoo, 50, of no fixed abode, appeared at Barkingside Magistrates' Court accused of her murder and is next due in court at the Old Bailey on November 15.

BREXIT DEAL PUT TO CABINET TODAY

BRITAIN and the EU have reached a deal in Brexit, it was being reported last night. Cabinet ministers will be called in to meet Theresa May today to discuss the deal.

Earlier yesterday Cabinet Office minister David Liddington said the two sides were 'within touching distance'.

"We are not quite there yet. This was always going to be an extremely

difficult, extremely complex negotiation, but we are almost within touching distance now," he said.

Deliver

"But, as the PM has said, it can't be a deal at any price. It has got to be one that works in terms of feeling we can deliver on the referendum result and that is why there is a measure of

caution." Meanwhile, Downing Street said a "small number of outstanding issues" stand in the way of a Brexit agreement.

There remains "optimism on both sides", government sources have said, as negotiations continue in Brussels.

But Trade Secretary Liam Fox declared "difficult discussions" were still going on about the Irish border issue.

Petition to show axed Iceland ad

A PETITION to get Iceland's Christmas TV ad shown last night reached more than 670,000 signatures.

The advert, which highlights the impact of palm oil on rainforests and orangutan numbers, has gone viral.

Comic James Corden shared the promo on Twitter where it soon racked up 15m views.

Clearcast, the body which approves ads for TV, said it wasn't approved because it breached political advertising rules and was originally made by the environmental group Greenpeace.

In the case of the Iceland ad, Clearcast looked at the rule which says adverts breach the law if it is "inserted by or on behalf of a body whose objects are wholly or mainly of a political nature".

Chris Mundy, from Clearcast, said: "The case made by many of the people that have contacted us is that they feel it is wrong the ad is considered political and that it makes important environmental points. "However, that is not the issue here."

Fastest wages rise in 10 years

WAGES rose at the fastest pace in nearly a decade in the three months to September, Office for National Statistics (ONS) figures show.

Compared with a year earlier, wages excluding bonuses rose by 3.2 per cent – the biggest rise since the end of 2008 and up slightly on the previous quarter.

However, the ONS warned that real wage growth was below the 2015 level.

The unemployment total went up for the first time this year, rising by 21,000 in the same period to 1.38million.

Compared with a year ago and adjusting for inflation, average weekly earnings increased by 0.9%. That figure excludes bonuses.

When you realise you were wrong mid-argument so you whip out a titty to distract him

Star reveals how she wins an argument

BREAST TACTIC: Paltrow gets it bust right

ACTRESS Gwyneth Paltrow confessed to 'WHIPPING OUT A TITTY' during a blazing row with husband Brad Falchuk.

Gwyneth, 46, was spotted commenting on a popular meme on Instagram but ended up giving fans an insight into her private life.

The image the actress commented on was a classical painting of a woman flashing one of her boobs in the risqué shot.

Underneath, the caption read: "When you realize you were wrong mid-argument so you whip out a titty to distract him."

Gwyneth replied to the funny meme: "I literally played with this tactic this morning."

Fans went wild with speculation that instead of having heated rows with new hubby Brad, 47, Gwyneth dissolves things by flashing her norks.

The Oscar winner has

been married to TV writer and producer Brad Falchuk since September – four years after she announced her 'conscious uncoupling' from Coldplay frontman Chris Martin, 41.

Gwyneth can next be seen on the big screen in the untitled *Avengers* sequel, which is due out in May 2019.

LOVE Island babe Kendall Rae-Knight has a strange phobia – she's terrified of **BAKED BEANS!**

The 26-year-old brunette beauty (right) said: "I hate baked beans. They creep me out – I think it's the texture."

"I just think they're weird and I stay as far away from them as possible."

Former beauty queen Kendall was hoping to find her dream man on 2018 *Love Island* after her engagement fell through.

But things didn't work out and she became the first girl to be evicted from the villa.

Megan may face call to kidnap trial

LOVE Island's Megan Barton Hanson may be forced to give evidence when her model pal's alleged kidnapper goes on trial.

Lawyers for Michal Herba aim to quiz the reality star, 24, about her friendship with Chloe Ayling, 21.

Chloe was lured to Italy by a bogus job, ransomed for £200,000 and threatened with being auctioned as a sex slave for dark web group Black Death, a court heard.

But Herba, 37, denies kidnap and claims he and Chloe concocted the sinister plot to launch her showbiz career.

His brother Lukasz has already been convicted of the crime and jailed in June.

Megan (above) and Chloe, who appeared on *Celebrity Big Brother* 12 months after the ordeal, knew each other before becoming stars.

Simone Zancani, who represents Herba, said: "We want to ask Megan if Chloe spoke about creating a scandal to get inside *Celeb BB*."

Orgasms boost British economy

ORGASMS make workers a lot more productive, sex boffins claim.

Around three quarters of Brits surveyed said orgasms make them feel happier.

And two thirds said they feel more productive after having an orgasm, while 40 per cent believe they benefit from the after-effects up to five days later.

University of Warwick figures show that when workers are happier, their productivity goes up by 10-20%.

The ripple effect of this could be a huge £90bn boost for the economy, as the average worker makes at least £129 more for their employer each week.

If our output increased by 20%, it could create enough money to allow for a four-day week.

Psychologist Dr Cliff Arnall said: "Taking a masturbation break would increase work focus."

CHARLES & DI'S TEST TUBE DAUGHTER!

Royals rocked by bizarre claims

'ORDERED TESTS': The Queen

PRINCE Charles' 70th birthday today is totally overshadowed by extraordinary claims that he and Princess Diana had a baby daughter BEFORE Prince William was born.

And it's also claimed the now-grown-up secret princess is living in hiding in the United States.

By **BARNEY SAMUELS**, Royal Correspondent

news@sundaysport.co.uk

Rumours surrounding the possibility of the late Princess of Hearts giving birth to a secret daughter have been swirling for years.

But they have not been reported in

the UK press due to Establishment pressure on Fleet Street.

But as Prince Charles prepared to celebrate his 70th birthday today, the rumours resurfaced in an Australian women's magazine called *New Idea*.

And, according to the magazine, the re-emergence of the whispers have left the Prince of Wales and his wife Camilla Parker Bowles furious.

For a number of years "royal

insiders" have whispered wild rumours that Diana gave birth to a girl called Sarah, who is now in her late 30s and is said to be older than 36-year-old Prince William.

According to *New Idea*, before she married Charles in 1981, the then 19-year-old Lady Diana Spencer was ordered by the Queen to undergo gynaecological tests to establish that she was capable of bearing children before her engagement to the heir to the throne could be announced.

The outrageous story claims that Diana's eggs were harvested and then fertilised with Prince Charles' sperm.

Implanted

However, after the tests came back and Diana's fertility was deemed to be healthy, instead of the embryos being destroyed, a "rogue doctor" secretly held onto them.

And he implanted them in his own wife, making her the unwitting surrogate mother of Diana and Charles' biological child.

Although the incredible story has been dismissed as a preposterous rumour, the fact it's doing the rounds again - and at a time when the limelight should be solely on Charles as he hits

YOUR ROYAL HAPPINESSES: But the secret daughter story has left Camilla FURIOUS!

SECRET

OUR FIRST BABY... OR IS IT?
Diana and Charles with William

'The princess always wanted to have a girl'

the 70 mark – has left a jealous Camilla furious.

New Idea quotes a source close to the Duchess of Cornwall as saying: "Camilla can't believe that this story has reared its ugly head again on the eve of Charles' 70th birthday. She's absolutely furious."

"Once again Diana's name is on everyone's lips and Camilla's name is getting dragged through the mud. Camilla feels like she's only just recovered from the fallout from the 20-year anniversary since Diana's death."

"Her popularity ratings really took a hit, and she feels like it's happening again."

While the rumours of a secret daughter are unsubstantiated, there's no denying that Diana always longed for a little girl.

Despite her fierce love for her sons William and Harry, the princess often told friends that she secretly dreamt of having a daughter.

"Diana always wanted a girl, and she shared the joy of her colleagues

and friends when their kids were born," Patrick Jephson, the late princess's former private secretary, said.

"Both my daughters were born when I was working with Princess Diana and she more than once said how lucky I was to have girls," he added.

American magazines – banned from circulation in the UK – report that the secret princess is named Sarah and was allegedly born eight months before Prince William.

Ringer

If so, she would technically be second-in-line to the throne after Prince Charles – thereby creating a constitutional crisis on a scale larger than the Abdication in 1936.

Globe magazine in the United States claims to have spoken to Sarah, who told the publication that when she was growing up, she was always being told that she was "a dead ringer" for Diana, who died in a car crash in 1997.

Gagging for a hard one made Rachel cringe

COUNTDOWN host Rachel Riley has revealed her most embarrassing moment on the show was when Nick Hewer said she was GAGGING for a HARD ONE.

Rachel (above), 34, is celebrating a decade on the popular Channel 4 show and says there's only one moment which left her red-faced.

The blonde beauty has presented more than 2,000 Countdown episodes and despite plenty of rude words popping up over the years, it was an innuendo from Nick, 74, which had her blushing.

She said: "My most embarrassing moment is Nick Hewer telling everyone I was gagging for a hard one."

"I had my face in my hands. We'd had a series of easy number games and Nick told everybody I was gagging for a hard one."

Oxford maths graduate Rachel has filmed a 10th anniversary special which is set to air in January.

The Northern Irish beauty (above), 33, reckons it's time to get the girls back together and go on tour.

She said: "I think Girls Aloud should go on tour. It would be silly not to."

"Why not?" The band were made famous in 2002 by telly show *Popstars: The Rivals*.

FURY OVER STUDENT SKI CLUB'S PAEDO T-SHIRTS

SICK: The students revel in T-shirts daubed in vileness

By REX ROWLANDS rex@sundaysport.co.uk

STUDENTS sparked a furious backlash after being pictured on social media wearing T-shirts backing meganonce Jimmy Savile and ridiculing rape and murder victims.

Members of Lancaster University's Snow Sports Society were seen at the student union's Sugarhouse nightclub in the sick outfits.

They were pictured on social media wearing T-shirts daubed with vile slogans including "Mandela touched kids", "Jimmy Savile was misunderstood" and "f**k gay rights".

One student was photographed in a top bearing the words "I've got muscles cus dad raped me" while another top read, "Sandyhook woz bantz" – referring to the 2012 school massacre in Connecticut.

Swastika

Another reveller wore a T-shirt emblazoned with the words "Free Tommy Robinson".

Yet another member of the group wore a swastika inside a heart above a message reading: "I like 12 year olds."

A spokesman for the student union said both the club and the group members were under investigation.

The spokesman also said that they were "extremely disappointed"

that details of the union panel meeting held to discuss the matter were leaked and a subsequent investigation has now been launched to find the whistleblower.

Lancaster University BME Students Network posted on Facebook: "This type of rhetoric only normalises hate speech and cannot and will not be tolerated on a university campus, or anywhere else for that matter."

MUM'S SEX WITH TEEN SON

A MOTHER aged 50 has pleaded guilty to having sexual activity with her 16-year-old son.

The woman now faces prison, the judge at Gloucester Crown Court has warned.

She confessed to three allegations of sexual activity with a boy under 18 between September 1, 2017 and January this year.

Two of the offences relate to 'spanking'

were given and the mother cannot be named due to legal restrictions.

Judge Ian Lawrie QC adjourned the sentence so that an updated psychiatric report could be prepared on the woman, who has been granted bail until the sentencing hearing.

Judge Lawrie told her yesterday: "Your offending crosses the custody threshold."

the boy, in a 'sexual' way, while the third consisted of 'being in a situation where he was able to commit a sexual act'.

Jamie can't put brakes on orgasm!

CELEBRITY chef Jamie Oliver has admitted he has trouble controlling his ORGASMS.

Jamie, 43 (above), has issues stopping spanking and said although he's done with having kids, he might not be able to help having more.

The Naked Chef star said he and wife Jools, also 43, have tried to slow things down when he's close to spoffing – but to no avail.

Jamie said: "I don't have much control in that department. I've tried to put the brakes on a few times and it didn't work."

"Women are very powerful and I don't have much restraint or control. Five kids is enough. I'm struggling already to get them in the car."

"I can't even have a car anymore. I drive a f**king bus. We don't need any more kids. But you would be under the idea that I have control of this situation."

Jamie's sold millions of cookbooks worldwide and has a chain of his own Italian restaurants.

Long time no see 'long time no see'

THE greeting "long time, no see" has been banned from a university campus for being "non-inclusive language".

That's according to Colorado State University student Katrina Leibee, who writes for the campus paper *The Rocky Mountain Collegian*.

Leibee met with Zahra Al-Saloom, director of diversity and inclusion at CSU, who showed her a list of terms and phrases considered contrary to the university's mission of "fostering inclusion".

Leibee wrote: "One of these phrases was 'long time, no see', which is viewed as derogatory towards those of Asian descent."

She also noted that administrators discouraged use of "you guys" in favour of "y'all," which is gender neutral.

One commentator said the ban was an example of political correctness running amok in academia.

TV Dan: I had steamy affair with cougar

HISTORIAN Dan Snow confessed to having a saucy SHAGGING session with a COUGAR.

The 39-year-old boffin admitted to having a past conquest with a much older lady during one of his ventures around Africa.

The TV presenter (above) is now married to the Duke of Westminster's sister, Lady Edwina Grosvenor, but during his travels in the past he's enjoyed himself.

Dan revealed: "I fell in love with a girl while travelling in Africa."

"I had a steamy affair with this older woman."

"I'm half-Canadian and always assumed I'd marry someone exotic from a completely different part of the world."

"I did have a lot of foreign girlfriends. But the moment I met my wife, I felt very comfortable with her."

"I immediately thought, I wonder if this is the one."

"And now, three kids later, it's the best thing I've ever done."

Driverless cars have bonking good future

ONE of the main uses for driverless cars will be SEX, boffins have concluded.

A new study from researchers examining the potential impacts of self-driving cars finds tourism, restaurants, bars and where people have sex could change thanks to automation.

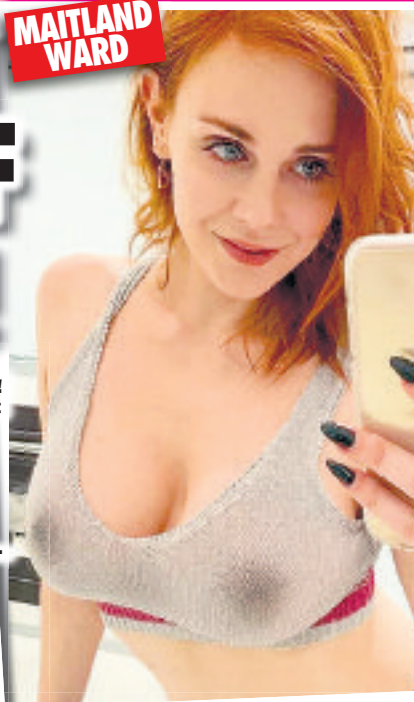

Published in the Annals of Tourism Research, researchers with the University of Surrey say all types of vehicle transport used in urban tourism will be affected by the transition to automation.

The paper questions how prostitution and sex will impact the rise of driverless vehicles.

The researchers say 'hotels-by-the-hour' are likely to be replaced by CAVs - and this will have implications for urban tourism, as sex plays a central role in many tourism experiences.

GANG POURED AMMONIA DOWN VICTIM'S THROAT

In coma for 13 days after robbery attack

CONTACT: Makayla Hajaig is said to have set ambush

A YOUNG film-maker was left in a coma for 13 days after robbers poured ammonia down his throat, a court heard.

Courtney Raymond, 20, and Jordan Dubois, 21, were attacked as they went to a flat in Ilford, east London, to make a video for a song.

Makayla Hajaig, 19, greeted them outside on June 13 but said her sister, a singer called Stafia, was inside putting on her make-up, jurors heard. She

By CAMERON CHARTERS

led them in and they were pounced on by Adam Badejo, 30, and William Deo, 20, said Nathan Rasiah, prosecuting.

Mr Raymond was knocked to the floor and a third man, wearing a balaclava, poured ammonia down his throat, Snaresbrook Crown Court heard.

"The court heard that on May 11, Hajaig used an Instagram account to contact Courtney Raymond."

Raymond and Dubois were later sent a song by email with the subject *Creepy* MP3.

Mr Rasiah said: "On June 13 the defendants arrived together. The men went into the property and laid in wait."

Running

"Courtney Raymond and Jordan Dubois arrived at the scene and were met by a young woman. The three of them went into the property together with Jordan Dubois carrying his equipment in a rucksack."

"Mr Raymond recalls two or

three men running at them from upstairs and a large figure with a balaclava coming towards him with a bottle. They both recall him squirting a liquid in their faces. Mr Raymond believed it was acid, but it was in fact ammonia."

Mr Raymond and Mr Dubois were told to hand over their bags containing cameras and lighting equipment worth over £2,000, jurors heard.

"Mr Raymond was punched in the stomach, his knees gave way, but he was forced to get up and open his mouth," said the prosecutor.

"One of the figures poured the liquid down his throat and it started to burn."

Mr Raymond and Mr Dubois managed to get away and staggered to the home of a neighbour who began pouring water over their faces.

"Both Mr Raymond

and Mr Dubois were taken to hospital," said Mr Rasiah.

"Mr Raymond was sedated and placed in a medically induced coma and he remained in intensive care for some 13 days."

"Both had their vision impaired by ammonia."

The prosecutor said Badejo, Deo, and Hajaig were caught on CCTV at a Turkish eatery called Gokyrug shortly after the attack.

Deo was arrested as he left a hotel in Archway for a taxi to take him to Southampton.

Badejo, of Dagenham, Deo of Archway, north London, and Hajaig, also of Dagenham, deny throwing a corrosive substance, robbery, GBH and assault occasioning actual bodily harm.

The trial continues.

'WIFE KILLER' MET MEN ON GRINDR

A PHARMACIST accused of murdering his wife had been unfaithful to her with men.

Mitesh Patel, 37, owned and ran a chemist's with his wife Jessica, 34, who was found dead at their home in Linthorpe, Middlesbrough, on May 14. He denies her murder and is on trial.

At Teesside Crown Court, judge Mr Justice Goss QC told a panel of potential jurors: "It is agreed that during the course of the marriage, defendant Mitesh Patel has been unfaithful to his wife including having met men for sexual intercourse, some of whom he met using a social networking site called Grindr."

He said customers of their pharmacy or anyone who had used Grindr should not sit on the panel.

JUICY Jamie Jenkins shuns posh lingerie in the bedroom and instead just wears a pair of sexy stockings.

Jamie, 25, from Cobham, loves her 32C norks and reckons her peachy bottom is also a strong point.

And she showed both off in this kinky photo shoot.

But when she's getting hot and heavy, she much prefers being naked – except for a thigh-high pair of stockings.

Jamie said: "I love my breasts, but my legs are just as nice. And my arse isn't bad either!"

"I don't go in for all that posh lingerie in the bedroom. To me, it feels a little forced and serious.

"But I do like wearing thigh-high stockings in bed – and nothing else!"

"It really accentuates your bum and it means you never end up with carpet burns on your knees!"

LESBO MISS HAD 50 SHADES SEX WITH TEEN PUPIL

LEWD: Jahn put victim through bondage, flogging & hot wax

A TEACHER who had a Fifty Shades-style lesbian affair with a girl student has admitted "committing a lewd act" with the 15-year-old.

Mary Jahn, 53, fingered and licked out the pupil at Lakewood High School in California, which boasts of "diversity among the teaching body".

Jahn also used a strap on dildo for sex with the teenage girl.

At a preliminary hearing in May, the victim testified Jahn got to know her in English class before kissing her and eventually having sex with her.

Prosecutors said the sexual relationship lasted from July 2008 through to July 2011.

During that time, Jahn introduced

By **WENDY THOMAS** news@sundaysport.co.uk

sexual acts that included bondage, flogging and hot wax, the former student testified.

Jahn, who will be sentenced on November 30, was also accused of carving her initials on the student's hip.

All the alleged incidents occurred at Jahn's Long Beach home.

Penetration

Jahn entered her no contest plea just before opening statements were set to take place in her trial.

She faces three years in state prison and lifetime registration as a sex offender as part of a plea deal with prosecutors in Long Beach.

As part of the deal, eight other charges were dismissed – four counts of sexual penetration by foreign object, two other counts of lewd acts on a child and two counts of "oral copulation" on a person under 18.

The student, now 25, reported the abuse to officials in 2017.

Rabbi groomed teen on Grindr

A RABBI who groomed a teen lad over the internet admitted: "It's a little illegal".

But Rabbi Aryeh Leiv Cohen wasn't chatting to a boy – he was actually communicating with an undercover agent.

Cohen, 44, who was working as a rabbi and youth outreach director in Minneapolis, struck up a conversation on Grindr.

During their chats, the agent mentioned that he was just 16, to which Cohen replied, "It's a little illegal" before describing all the sex acts he would like to perform on the youth and sending him naked pics.

The two eventually arranged to meet at Cohen's apartment, where cops arrested him.

Cohen pleaded guilty to describing sexual conduct with a child and will be sentenced on January 16.

PUTIN'S SPIES SNATCH YOUR PORN SEARCHES

PORN fans fear Russian spies may have their hands on EVERY porn search they have ever made after Google was hit by the 'worst ever' internet hijack in the company's history.

Information from users' Google searches, cloud-hosting services and the company's bundle of collaboration tools for businesses – known as G Suite – were all affected in Monday's hijack.

Data was intercepted by servers in Nigeria, China and Russia – including those run by all major state-owned telecoms providers.

It's believed the hack originated in the special Kremlin department in charge of cyber warfare.

Insiders reckon that with millions of internet searches compromised, Vladimir Putin's spooks could use the data to blackmail porn fans into working for Moscow.

Tech experts say that those who have searched for clown or midget porn are at particular risk.

Security experts say

By **REX ROWLANDS**
rex@sundaysport.co.uk

the hack may have been a 'wargame experiment', a prelude to even more wide-scale attacks.

Hijacking

Google downplayed the incident, saying it does not believe it was malicious, but has not allayed fears that the personal data of millions of users may have been compromised.

The type of traffic misdirection employed,

known as border gateway protocol (BGP) hijacking, can knock essential services offline and facilitate espionage and financial theft.

Google interruptions lasted for nearly one and a half hours and ended about 10.30pm on Monday, network service companies said.

People took to Twitter to vent frustrations, with one user writing: "I have no idea what to do with my life."

Network intelligence company ThousandEyes uncovered the hijack. The firm's Alex

Henthorn-Iwane called the incident the worst affecting Google that his San Francisco company has seen.

He named the firms involved, in addition to China Telecom, as the Russian internet provider Transtelecom and the Nigerian ISP MainOne.

Cheeky Jameela in dildo teaser

ACTRESS Jameela Jamil has encouraged women to use ANYTHING as a DILDO in an X-rated social media post. The *Good Place* star, 32, posted a photo of herself, legs akimbo, on her Twitter page with a caption referring to the sex toys.

Inspirational

She posted: "I love it when people use inspirational quotes to go with their fancy pictures. Here's mine. Happy Monday."

Accompanying the post was a snap of Jameela in a pink trouser suit – and she'd written across the photo: "Anything's a dildo if you're brave enough."

Fans replied with a wide range of suggestions as to what Jameela could use as a silicone-based cock, with one putting forward a dumbbell.

Among the banana and cucumber ideas, others said Jameela should use a hair-curling tong or even a cactus for a painful alternative.

Telly sports man nicked for bar 'tug'

A SPORTS presenter has been arrested for WANKING while playing a slot machine in a bar.

Randy Howe, 50 (above), was bailed after being nicked on charges of public masturbation, open gross lewdness and mischief.

Police responded to a call from an employee at the unnamed bar in Las Vegas that a man was masturbating at a slot machine at 9.15am.

Staff said they had seen Howe tugging there before but had decided not to complain the first time, hoping it was a one-off incident.

Howe, who covers sports for KSNV News 3, told police that he wasn't masturbating but was just scratching an itch.

When officers arrived at the bar, an employee said Howe had walked to the bathroom with his penis exposed.

Howe told police that he "probably shouldn't have been scratching himself at the bar and it was a bad decision".

KSNV News 3 hasn't yet made a statement on Howe's arrest.

Big dick man sued over fanny stretch

A WOMAN is suing her ex-boyfriend, claiming his "abnormally large" penis stretched her vagina.

Silindile Mangena, 29, from Harare, Zimbabwe, said her clout was "nice and tight" before she met Mugove Kurima.

Kurima, 37 – who it is also claimed was married at the time – and Silindile fell in love and started a relationship in 2016.

However, she told the *Zimbabwe Mail* that she ended the relationship in May this year after his huge penis stretched her mimsy too much.

It has not yet been confirmed how big his Johnson actually is.

Silindile now wants to have reconstructive surgery – which costs £8,000 – and is taking him to court to make him pay the fee.

Kurima has not yet responded to the big cock allegations, but a pal said he is not "unduly worried" but is "quite amused by the whole thing".

CELEBRITY COUGARS EXPOSED!

SPECIAL INVESTIGATION By BECCA STUBBS

becca@sundaysport.co.uk

GORGEOUS MILF Kate Beckinsale is now apparently shagging lucky comedian Jack Whitehall.

Cougar Kate, 45, was spotted locking lips with the 30-year-old as they partied in Los Angeles before heading back to the same hotel.

Adding fuel to the rumour mill, Kate then posted a photo on her Instagram page – with fans claiming they could see Jack hiding behind the curtains in the background.

Famous

However, she's not the only celebrity older lady who fancies a spot of hot young blood, as plenty of other famous faces have enjoyed dalliances with much younger men.

Whether they teach them a thing or two between the sheets or want a younger hunk to keep up with their lifestyles, these hot couples all share a hefty age gap.

Here's the hottest cougars in the celebrity world...

**KATE BECKINSALE (45)
& JACK WHITEHALL (30)**

**SADIE FROST (53)
& JUDE LAW (45)**

ACTRESS Sadie Frost, 53, was introduced to lothario Jude Law, 45, in 1994 when they were both part of the trendy Primrose Hill Set. They dominated showbiz headlines for a decade and had three children together before their marriage fell to pieces in 2003.

**MEL SYKES (48) &
OLLY MURS (34)**

FITNESS fanatic Melanie Sykes, 48, failed to keep her romance with pop star Olly Murs, 34, under wraps in November last year.

Their secret dates became the worst kept secret in showbiz and their relationship fizzled out almost as quickly as it began.

**DANNIELLA WESTBROOK (45)
& GEORGE ARNOLD (24)**

DANIELLE hooked up with younger van driver Ben after splitting from Robert Fernandez, the father of her son, Kai. She got married to him in 2008 after being together for just eight weeks, and the couple moved to Australia. But after just nine months *Down Under*, it was all over.

**HALLE BERRY (52) &
GABRIEL AUBRY (42)**

HALLE – who was famously paid £500,000 extra for her role in crime thriller *Swordfish* after agreeing to appear topless – met her ex Gabriel at a Versace photoshoot. The glamorous pair went on to have a daughter together but announced their split in 2010 after just two years together.

**CAROLINE FLACK (39) &
HARRY STYLES (24)**

LOVE Island presenter Caroline hooked up with One Direction heart-throb Harry after they met on the set of spin-off show *The Xtra Factor*, which she also used to present. The pair's relationship and 15-year age gap caused eyebrows to be raised across the country, but sadly the pair split after a few months.

**ROBIN WRIGHT (52)
& BEN FOSTER (37)**

HOUSE of Cards star Robin began seeing actor Ben in 2010 and the couple got engaged two years later, despite an age gap of 15 years. They split after just two years and then got back together, before calling it a day for good in 2015.

SUSAN SARANDON (72) & JONATHAN BRICKLIN (35)

THELMA and Louise star Susan has long had an eye for the younger man, having spent over a decade with *The Shawshank Redemption*'s Tim Robbins, who was 12 years younger than her. After they split, she moved on to entrepreneur Jonathan Bricklin and the duo went on to launch a chain of ping pong cafes. They split in 2015.

MIMI ROGERS (62) & TOM CRUISE (56)

MAD MEN actress Mimi famously introduced her then husband, superstar Tom, to Scientology – the crackpot religion that claims humans come from outer space. Their marriage collapsed after just two years in 1989 when Tom was reportedly urged to chase after what would become his second wife, Nicole Kidman, by the weirdo church's elders.

MADONNA (60) & JESUS LEZ (31)

MADGE surprised no-one when she hooked up with Brazilian dancer Jesus Luz after meeting on a photoshoot in Rio de Janeiro.

The pair split after just a year in 2010, with Luz reportedly saying it was because they had nothing in common with each other.

KATE HUDSON (39) & NICK JONAS (26)

ROM-COM favourite Kate dated singer Nick on and off throughout 2016, before calling the whole thing off.

But Kate's mum Goldie Hawn said she'd definitely have had Nick over for dinner if the relationship had lasted any longer.

CHERYL COLE (35) & LIAM PAYNE (25)

CHEZZA stunned millions of fans and upset even more One Direction fans when she snared hunky Liam, who she first met as a judge on *X Factor* when he was only 14.

Despite a 10-year-old age gap, everyone's number one cougar bagged her pop star beau and they went on to have a son, Bear, together.

Sadly, they split earlier this year.

Kiki: Porno ban women are jealous

A PORN star has blasted a town that's trying to stamp out grot – claiming women are just jealous when their partners watch X-rated films.

Australian actress Kiki Vidis, 29, has worked in the adult movie industry for 11 years and visited the town of Toowoomba, Queensland, just a few weeks after their third annual anti-porn rally – during which men from the city pledged not to watch porn.

Kiki said: "I get 90% fan mail and 10% hate mail, and the hate mail usually comes from the wives or girlfriends of the male fans."

The city's anti-porn campaign, City Women, focuses on the 'risks of porn', in particular how the younger generation are affected by it.

But Kiki hit back at those suggestions and added: "Porn isn't a crime. My parents put the restrictions on the computer in the family room when I was growing up."

"If you choose to put a computer in a child's room with no filters on, you are bringing it upon yourselves."

Fact me!

THERE is only one country left in the world where women can't vote – Vatican City.

Robbery ordeal on Tinder date

A MAN was tied up during a house robbery that had started earlier as a Tinder date.

The victim arranged for a woman to come to his house, but a male subject appeared and pointed a gun at him, police said.

He was tied up with bed sheets, pushed under a bed and gagged with a shirt so he couldn't scream for help, after he'd been forced to give up his bank details.

Before the victim got free, two suspects were already raiding his bank account.

But they were quickly identified as Michael Wheeler, 26, and Lexus Tripplett, 20, and found in a nearby park in Ponte Vedra, Florida.

Both suspects are being held and have been charged with kidnapping, resisting arrest and robbery.

LIFE-SIZE DOLL MAN STALKED LOST LOVE

Nice to see-thru Rita!

EVERYONE loves a tasty portion of FISH and TITS! Pop scorcher Rita Ora went braless at Matsuhisa sushi eatery in Los Angeles after belting out her biggest hits at the People's Choice Awards.

The 27-year-old singer was snapped as she dashed to her ride after dining at the 90210 hot spot with pals.

An onlooker said: "Sushi? I wouldn't mind getting my chips around her haddock pasty! Eh? Eh? Phwoar!"

GUILTY: Everard Cunion (above) lives with nine realistic dolls

By COLIN HURST news@sundaysport.co.uk

AN oddball who lives with NINE life-size female dolls and who stalked a woman he fell in love with 50 years ago has been given a restraining order.

Everard Cunion, 62, admitted stalking Julie Taylor, nee Allen, saying he "never got over her" despite having not seen her since they left school in 1972.

The lifelong bachelor decided to try and get back in touch with her earlier this year after losing his job.

Cunion, from Christchurch, Dorset, checked births, deaths and marriage registers to find Ms Taylor and even got her wedding photo.

Obsessed Cunion, a former IT software engineer, also turned up at her old family home where her 88-year-old mum lived.

Although Cunion was told to leave, he went on to send eight letters addressed to Ms Taylor via her mother's address.

Kidnapping

He also went jogging past her mum's house every day over a four-month period and once followed a woman he thought was Ms Taylor who he'd seen leaving the property.

Ms Taylor didn't respond to his letters but she became concerned when Cunion made a joke in one about kidnapping her.

Cunion initially denied his behaviour amounted to harassment but admitted one charge of stalking Ms Taylor, 62, and one of harassing her mother.

He was sentenced at Poole Magistrates Court to 120 hours' unpaid work along with 10 rehabilitation days, and a five-year restraining order which prevents him from contacting Ms Taylor or her mother and "limited entry" to Ms Allen's road.

After his previous hearing Cunion said he felt "stupid" over the matter.

He said: "I upset Ms Taylor when I was at school and it's haunted me for 50 years."

"I was determined to try to find out if she was OK."

"But clearly I alarmed her."

"It's a shame and I do feel really stupid about the whole thing."

HELENA BONHAM CARTER PINCHED MY BOOBS!

By BECCA STUBBS becca@sundaysport.co.uk

ACTRESS Helena Bonham Carter loved the fake boobs she wears from her latest film costume so much, she **NICKED** them.

Helena, 51, plays a psychiatric patient in her latest silver screen outing *55 Steps* and says she enjoyed having such large norks so much she took home her whole outfit.

Admitting stealing her character's kit the *King's Speech* star said: "I took the whole lot. It was very, very comfy."

"Ultimately, when you act anybody – whether they're fictional or real – you do take something. You absorb them into your system."

Bigger

"I brought her boobs home."

"I actually wore an outfit that made me look much bigger."

As well as acting in *55 Steps*, Helena also served as executive producer on the drama film, which follows a mental health campaigner.

Hillary Swank, 44, plays a lawyer and stars alongside former Harry Potter star in the gritty movie.

Out now, *55 Steps* is set to be a box office hit.

Nose punch repels bear

A MAN survived a black bear attack outside his home – by twatting the animal in the NOSE.

Sonny Pumphrey, 78, had a lucky escape when he went out to his driveway and saw three bears there.

It appeared to be a mother and two cubs. But while the cubs ran off, the mother remained.

Sonny said: "She made a charging, dead run at me. That sucker was eyeball to eyeball to me. I hit her right dead on the point of the nose the first shot and when I did, she went down and started trying to bite me."

"I just continue pounding and pounding and pounding and she's continuing trying to bite me."

Sonny's wife Betty was indoors at their home in Waynesville, North Carolina when she heard the commotion.

She said: "I seen her stand up and reared her paw back and all I seen was a mouthful of teeth. I knew he was going to be gone."

But her dog started barking and with Sonny and Betty screaming, the bear ran off.

Sonny suffered a bite to his hip and bruises and will have a series of rabies shots.

LUSCIOUS Lauren Louise fantasises about being caught speeding by a hunky COPPER who's more than happy to give her a SPANKING.

Lauren, 24, from Derby, says her dream scenario involves her hurtling down the motorway in her fast car, only for a fit policeman to pull her over.

The 34D stunna said: "I fantasise about being pulled over by a policeman on the motorway."

"He's giving me a real ticking off. Then

I suggest there must be a way to avoid a ticket and give him a cheeky wink."

"Next thing I know, he has his handcuffs out."

"Maybe he'd give me a little spank with his big baton! Just the thought of all those muscles busting out of the uniform."

"You could say I have a bit of a uniform fetish. I'm happy to do my bit and put on my college girl, nurse or French maid outfit too!"

A BISEXUAL sex pest begged a MILF for nookie and then asked two cops to bum him.

Gary Hillon, 22, was told to complete community service after begging to bed his 40-year-old victim.

But he flouted the punishment by skipping appointments.

Hillon was warned he could be found in breach of the order at Paisley Sheriff Court.

Sheriff Colin Pettigrew warned Hillon that more absences would see him banged up.

He told him: "Do you want to spend Christmas in jail? Well, toe the line."

"You are just messing everybody about here."

Targeted

"If you have a genuine illness, you have my sympathy and I will take that into account."

"There are too many absences here and you need to convince me."

Hillon was ordered to carry out 270 hours of unpaid work when he was convicted.

The creep was put on the Sex Offenders' Register for his antics in September 2015.

Prosecutor Saud

SEX PEST BEGGED POLICE: 'PUMP ME'

Ul-Hassan previously told the court how he targeted the woman, saying to her 'Can I ask you a question?'

"She replied saying he could," Mr Ul-Hassan told the court.

"The accused said 'Can I have sex with you?'

"She replied with a firm 'No' and asked him what he'd been doing."

Hillon disappeared before returning and asking again.

Police were called and found Hillon scrambling

over a fence nearby.

Mr Ul-Hassan added: "During the course of the journey here requested officers to pull over immediately and rape him in a lay-by."

"He repeatedly shouted to both police officers throughout the journey 'Pump me'."

Hillon also told police he wanted to perform sex acts on his boyfriend in public.

Hillon, of Linwood, Renfrewshire, is back in court on December 20.

Someone
should
fire the
ad team!

A CAR dealership in California has been SLAMMED over a "disgusting" ad which tried to make light of the killer wildfires ravaging the state.

The advert, which was published by Ford's Simi Valley dealership on Sunday, read: "Well we didn't catch fire but these deals are smoking hot. Take a look!"

But Twitter users quickly labelled it "disgusting" and "distasteful".

The dealership published another post later in an attempt to apologise.

It read: "Hello friends, our advert team picked a heading for this week's campaign that appears to be insensitive to some."

It also linked to a Facebook page which has since been removed.

Californians are desperately fleeing wildfires that have left at least 44 people dead and 200 missing.

Sweary nut's bar bill battle with Mickey

A LOON staged a sit-in at a bar in DisneyWorld when he was asked to pay his tab – and then wrestled with a full-sized Mickey Mouse.

Stephen Ryder, 67, was later arrested on charges of battery, disturbing the peace and defrauding an innkeeper.

Cops had been called to the Orlando resort on reports of a "disorderly guest".

The incident began when Ryder (*above*) refused to pay his bill. When the bar manager confronted him, he ignored him and walked out of the bar to a bus stop.

Police said that while sitting at the bus stop, Ryder yelled at the Disney security guards who tried to talk to him, saying "who the f**k is this pot-faced shit" and "go f**k yourself."

He continued to shout expletives and make making obscene in front of around 100 other guests before pushing one of the guards and twatting 'Mickey Mouse'.

He was roughly hauled off to the lock-up.

Naked 'dab' Peeper hunt

A NAKED Peeping Tom is on the run in a small town and police are seeking the public's help before he strikes again.

In the most recent incident, a householder looked out of her back door around 7pm and saw a naked man peering into the house.

He had on only a black wig, black shoes with white stripes and a bandanna over his face.

He was captured on surveillance video appearing to 'dab' – a popular dance move in which the head is dipped into the crook of a bent arm.

Police in Hillsborough, New Jersey, are appealing for information.

Sex Miss sent teen XXX messages

'I WANT YOU TO COME ON MY TITS'

FLIRTING IN CLASS: Samantha Fitzpatrick in court, police mugshot and on Facebook

A SEX-MAD high school teacher texted "I want you to come all over my hot tits" to a hunky 17-year-old pupil.

The XXX message sent by Samantha Fitzpatrick, 29, led cops to discover she'd sent a string of saucy texts and pictures to the teen.

She had also enjoyed a red-hot sexual relationship with him for six months.

Fitzpatrick was an English teacher at Ripon High School, Wisconsin, when the affair came to light.

Fitzpatrick was arrested in December last year after cops received a tip that she was having an 'inappropriate relationship' with one of her students. She then abruptly resigned before the summer break.

Flirtatious

During investigation, a teacher at the school told police she had heard from a different student that the victim had been telling people he'd had sex with Fitzpatrick at her home.

Another student told police that the victim had also said he had 'done stuff' with her at the Comfort Inn hotel in Ripon.

A teacher also said she noticed flirtatious behaviour between the pair.

When the concerned teacher approached Fitzpatrick about the rumours, she chuckled and said 'I could see how they would say this'.

They both initially denied sexual encounters when confronted by police.

included details of role playing and sex acts they wanted to perform on each other.

Some messages had Fitzpatrick professing her 'love for the victim' and asking him to send revealing photos.

One contained a picture of Fitzpatrick pointing at her breasts with the "come on my tits" message.

Her sex assault charge carries a potential six years in prison.

THE WORLD FAMOUS AGONY Page

Dear Sam,

A FEW weeks ago my suspicions were confirmed when I caught my wife with the neighbour. He's 50 and we are both 25.

I heard them chatting in the garden one day. He was cutting back most of his shrubs and he jokingly said he'd come round and "trim her bush" if she wanted.

She found this hilarious, so I suspected she fancied him. I told her I was going golfing but returned within an hour and heard them at it upstairs.

He must have been banging her like there's no tomorrow because it sounded like the bed was going to collapse at any moment. And she shouted out his name in the throes of passion.

I think she's going to shag him again on Friday, because she's booked a day off work.

But I'm actually looking forward to listening to them at it again. Do you think I'm weird?

MT, Cardiff

Sam says...

MAYBE not weird, but certainly a bit odd.

Dear Sam,

I GOT chatting to the vicar's wife at a village fundraising event this month. To my surprise, she was quite bawdy and we ended up talking about sex.

I joked about her husband chatting up God and wondered if sex was a miracle. She came back with: "Why, do you want to give me some?"

The next day we got together and I found myself stripped naked with her dressed in bondage leather.

There was a hole for her juicy mince and my tongue was soon stuck up it. She quivered with delight as I tongued her, before finished off by shafting her good and proper.

I felt very guilty afterwards and wonder if I should see this woman again?

Or, indeed, if God will strike me down.

DC, Herts

Sam says...

I'D say your prayers if this ever gets out.

Threesome with my missus

Dear Sam,

MY girlfriend and me have a good sex life. We are both in our late 20s and we love to experiment in bed.

Last week we went to a nightclub and a young fella started flirting with her. I could see she was enjoying the attention, so at the end of the night I invited him back to our place.

As soon as we were through the door my bird stripped down to her thong and got the young guy's eight-incher out.

She sucked on his balls and then slowly took his cock down her throat. I slid my rock-hard todger in her from behind and we gave her a good roasting.

She screamed her head off and had a massive orgasm

He shot his load down her throat as I came all over her arse cheeks

She loved it so much she wants the guy to move in.

What do you think?

HK, Devon

Sam says...

BE careful – you could get pushed out of your bed and out of your house.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Holiday romp with 3 babes was Kraut of this world

Dear Sam,

MY missus was having a rough time at work, so to cheer her up I took her on holiday to Tenerife for some sun.

We found ourselves in a lovely hotel but on the first morning down by the pool I was in agony – because of all the gorgeous topless crumpet around. I was particularly taken by three German students on a girlie holiday together. They were all tall, slim and blonde – and every time I looked at them I got a raging hard-on.

Erection

I was ogling the trio on my lounge with a paperback covering my stiffy when the book fell off my lap – revealing my erection.

One of the Germans was looking my way and she turned to her pals and said something and they all giggled.

Shyly, I glanced back over at them and I was surprised to see them beckoning me over.

I looked at my wife but her head was buried in a paperback, so I strolled to the edge of the pool and one girl whispered: "Room 323, 10 minutes."

I told the missus I was going back to our room for something. Nervously, I

tapped on the door of Room 323 and it opened to reveal the three babes – all naked.

Without a word, one of them grabbed me by the dick and dragged me into the room.

She yanked down my shorts and squealed with joy as my nine-incher sprang free.

The babes then took it in turns to suck me off. In between times they snogged one another and fiddled and fingered each other's dripping slots.

Soon I was shagging each of them in turn while kissing and sucking the tits of the others.

I lost all track of time, but I didn't care as I pumped away to my heart's content.

The German girls were insatiable but eventually I was ready to shoot my wad and I pulled out quickly and sprayed waves of spunk over their faces.

I left them rolling on the bed, licking

my cum off each other and continuing to bring each other to orgasm with tongues and fingers.

I hurried to our room for a quick shower before returning to the pool, more than a bit nervous about what my wife's reaction would be.

She looked up from her book and said: "What took you so long?"

I replied with a laugh: "I got waylaid by three German nymphos who treated me to an orgy."

"Yeah, right, I'm sure you enjoyed every minute of it," she said, turning back to her novel.

Do you think she'll suspect anything?

GB, London

Sam says...

NO. She obviously doesn't think you'd have it in you.

Dear Sam,

MY missus is 45 but she's got the body of a 25-year-old and is always willing to experiment in the bedroom.

And that leads me to my problem. I came home from work a couple of weeks ago and she called me upstairs.

I got a real shock when I walked in the bedroom to find her dressed as Cheryl Cole, complete with brown wavy wig, dark eye make-up, a pink mini dress and thigh-high boots.

I was soon hard as she performed a raunchy dance routine and talked dirty in a Geordie accent.

Then she went down on me, working me to a frenzy with her tender tongue and luscious lips.

Then she lay back on the bed with just her boots on and her thighs spread wide, inviting me to get stuck in.

I eased my cock into her and gradually built up a rhythm until we both gasped to a shuddering climax.

Now she wants me to return the favour and dress as her fantasy man, Elvis.

But I can't stand the dead rock 'n' roller and know I couldn't get a hard-on, let alone screw her.

What should I do?

PB, east Yorkshire

Sam says...

GO on, do it just once, otherwise your missus will be Lonesome Tonight!

I broke down but got great ride off rescuer

Dear Sam,

MY car broke down a couple of weeks ago, but seeing as I'm a busty blonde in my late 20s it didn't take long before someone stopped to offer their assistance.

He was in his early 40s and very fit. He told me there was something wrong with the radiator and kindly gave me a tow to a garage.

They told me they would need at least 24 hours to fix it and I was 100 miles from home, but my rescuer quickly offered to put me up.

I could tell what he was after – and I was in no mood to let him down either.

We wasted little time heading for his bedroom and after a brief kiss I sucked him off.

Licked

I took his rock-hard seven-incher right to the back of my throat and it only took five minutes before he filled my mouth.

He then spread my legs wide and licked me out before boning me from behind.

I was so turned-on that I even urged him to f**k me up the arse as well.

The next day the car was fixed and I went home, but promised to stay in touch, although I thought that might be the last I'd see of him.

He has since texted me and said that he and his mate want to spit-roast me this weekend.

I'm tempted because sex with my husband is awful. What should I do?

MD, Weymouth

Sam says...

YOU seem to have a high sex drive, so why not?

ay, it's 6.45pm... t's cheating time!

FRIDAY nights are the peak time for people to get down and dirty with their secret lover.

The prime time for affairs in the UK is 6.45pm on a Friday night, according to a new survey carried out by IllicitEncounters.com.

Sex O'Clock occurs just over an hour after people leave work on a Friday night – with most going earlier than usual at 5.30pm because it's the start of the weekend.

Adulterers use a social night with work colleagues as an excuse and tend to see their lover on average twice a week – with Tuesday night the second most popular night for affairs.

Results were revealed in the survey of 1,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

A whopping 64 per cent of

By **BECCA STUBBS**

becca@sundaysport.co.uk

cheats said they tended to stick to a regular routine when seeing their lover because this was the most effective way of covering their tracks.

While 72% of folk said that Friday night was their favourite time to see their lover, another 51% said they liked to save Saturday night to go out with their regular partners.

Suspicious

The most common excuse for being absent from their partner was working late in the office or seeing friends from work, with 92% of cheats admitting to having used this.

Going to the gym or doing some other kind of sporting activity was the second most popular excuse, with 74% of adulterers having used it.

Other popular excuses

included seeing an old friend in third (68%), being delayed by traffic in fourth (61%) and shopping in fifth (58%).

Christian Grant, spokesman for IllicitEncounters.com, said: "What this new research shows is that cheats are creatures of habit.

"They have strict routines which they tend to stick to when they are seeing their lover.

"If your partner regularly goes out with work colleagues on a Friday night, this should raise suspicions, particularly if they always go out with you the following night.

"The Saturday night date is partly due to guilt over the Friday night liaison.

"Having a regular routine means that cheats can stick to the same script when being asked about their whereabouts – making it less likely their affair is rumbled."

We asked three *Sport* stunnas their opinion of the research....

Polly Anderson says...

I'M having an affair with a man who's got a girlfriend and we're always going out during the week – he just tells her he's working away and we get down to business!

Vicky Dunne says...

MY ex always used to take me out and spoil me on a Saturday, maybe he was cheating on me! Never mind, the sex was always incredible on those Saturday nights!

#MY SEX FANTASY

WITH
MARINA
VISCONTI**'Office bonk is a huge thrill
– it beats having meetings!'**

By BECCA STUBBS

becca@sundaysport.co.uk**MOST men dream of
having work colleagues
like Marina Visconti.**

Because not only does she make a decent cuppa, she also lusts after an office BONK.

Marina's office fantasy includes the smokin' hot glamour girl getting to grips with a co-worker she's been flirting with for months.

And the 23-year-old can't be short of offers when she rocks up at an office, as her massive 34E norks will definitely catch attention.

She also reckons the thrill of shagging secretly would be a major turn on.

Marina, from Leeds, said: "Sex with a colleague, or even my boss, has always been a major fantasy of mine.

Explosive

"There'd be a big build-up until the sexual tension is explosive and we can't keep our hands off each other any longer.

"Then we'd make eye contact and know to meet each other in a small space like the copy room.

"I'd hike up my skirt and he'd undo his pants.

"There'd be no small talk, he'd just bend me over whatever is around and f**k me super hard, super fast.

"Once we'd both cum, which let's be honest wouldn't take long, we'd just go back to work and act like it never happened.

"We'd do it every day too if I had a choice – it certainly beats having meetings!"

DANIELLE WILTSHIRE

BUILDER Neil Sledding says his biggest crush is stunning brunette Danielle Wiltshire. Neil, 49, from Darlington, emailed in requesting a saucy snap of Danielle, 25, from Stratford. He said: "I'm a huge fan of the *Sport* and Danielle in particular, I've even got all the lads on site fancying her. "She's got a perfect pair of pert 32D's which she isn't shy about whipping out!"

AIWE

EXOTIC beauty Aiwe is the apple of student Gareth Cooke's eye, as he loves a fit older woman.

Gareth, 21, studies at the University of Liverpool but has his sights firmly set on 30-year-old Aiwe, originally from Czech Republic.

He said: "I'm studying English but I might need to learn another language to charm Aiwe."

"Older women just do it for me. They know what they're doing in the bedroom and I reckon Aiwe would be a real kinky animal."

"Her 34D's help matters too!"

NINA LEIGH

PLUMBER Kelvin Watson says his pipe stands to attention every time he claps eyes on busty brunette Nina Leigh.

Kelvin, 37, from Harrogate, requested a snap of 27-year-old Nina, from Walton-on-Thames, with her perfectly rounded 34E's on show.

He said: "Nina is every man's dream, surely! With those massive boobs and her gorgeous brown eyes, she's just perfect."

"Everytime I sneak a glimpse at the *Sport* and she's inside it, my cock springs to life - it's amazing the effect she has on the little fella!"

FLIRTY Felicity Hill is gearing up to show her fans EXACTLY why she's been voted Babestation's Cam Girl of the Week.

The brunette beauty ramped up the sex appeal in a teasing tartan skirt which she later peeled off to reveal a tiny red thong and matching suspenders.

Felicity's white stockings hugged her impressive pins as the model, from High Wycombe in Bucks, posed up a storm in this saucy new shoot.

However, she's preparing to take things even further on her webcam as the 30D stunner revealed she loves stripping off.

Naked

She said: "I love to be naked. As you can see from my pics, I don't have a problem taking my clothes off."

The brunette's fantasy is to get hot and heavy with another woman on her webcam, and treat fans to a bit of red-hot lesbian loving.

Felicity added: "There's just something so sexy about a girl

who has amazing curves. "And they're so soft when you kiss them – women have amazing lips, because they look after them. I'd love to get to grips with another sexy chick while a bloke watches us."

BACK:
Rooney

GREAT TO SEE ROO AGAIN!

It will be great to see Wayne Rooney back in an England shirt – however briefly – tomorrow and I am sure the former ManUnited and Everton striker will get a great reception from the Wembley crowd as befits England's leading goalscorer and one of the best players ever to have worn the Three Lions.

The USA have played at Wembley twice – lost both – and I would be surprised if Gareth Southgate's side didn't go into their Nations League clash with Croatia on the back of a comfortable win.

England are 1/4 to win the friendly at BetVictor with the draw at 9/2 and the States at 21/2. Rooney is sure to play and he is 6/4 to find the back of the net and 9/2 to score the last goal. It will be interesting to see when Southgate plays Wazza and it must be remembered that he has written his own scripts in the past.

Spain will win the Group if they win in Croatia tomorrow night and they did win the reverse fixture 6-0 back in September. The visitors are 11/10 at BetVictor to take the points with Croatia – who need to beat Spain and then England at Wembley to top the Group on Sunday – 13/5 and the draw at 23/10.

The Republic of Ireland have lost only one of their last eight against Northern Ireland (W4 D3) – but that was on their last visit to Dublin (1-0) back in May 1999.

Goals are likely to be at a premium in Dublin – Northern Ireland have failed to score in their last six on the road – and I think the hosts can edge a tight affair.

Good ground

Martin O'Neill's side are the 21/20 market leaders with BetVictor with Michael O'Neill's side 14/5 and the draw at 85/40. The Republic to win and under 2.5 goals so 1-0 or 2-0 is 27/10 at BetVictor and that is the recommendation even though the "Boys In Green" have only won one of their last nine games.

Trainer Nicky Henderson confirms that Rather Be would be his sole representative for Saturday's BetVictor Gold Cup. The gelding should be well served by the forecast good ground and he is BetVictor's new 5/1 favourite (each-way five places) with Mick Channon's Mister Whitaker 8s, Kalondra 8s and 10/1 Bar.

When I first started taking a professional interest in racing over 20 years ago I would never have imagined that my favourite jump jockey – in such a male dominated sport – would be female but that is the case.

Bryony Frost rode out her claim (75th win) at Kempton with another exemplary ride and she is a credit to herself and her family. She will find life harder now without her 3lb claim, but she is a wonderful jockey with a matching personality – she is a rare talent.

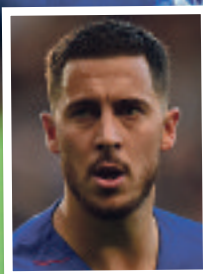

Frost will ride top-weight Frodon (16/1) in the BetVictor Gold Cup but the ride she gave another top-weight Present Man to win the Badger Beer Chase at Wincanton last Saturday was a thing of beauty. She may not yet be the strongest in a finish, but we should not forget races are won out in the country too. She has a knack of preparing her horse on a good stride at the obstacles especially over fences.

CHELSEA ACE WAS FIRED BY COLE

Hazard: I'm a Blue thanks to Joe

TRUE BLUE:
Joe Cole

BELGIAN LEADS TRIBUTES AS COLE HANGS UP BOOTS

EDEN HAZARD has revealed how Joe Cole persuaded him to sign for Chelsea.

As the former England international hangs up his boots at the age of 37, the Belgian talisman has been leading the tributes.

Hazard lined up alongside Cole when he was on loan from Liverpool to Lille in 2011.

At that time, the Belgian was being chased by some of Europe's biggest clubs.

But Cole persuaded him that Stamford Bridge was the right move for the then youngster.

Hazard said: "I spoke to

By JOHN ANTHONY

him before I signed for Chelsea.

"Every day, seriously, he was telling me that Chelsea was the best club for me.

"He said Chelsea was a big club where you can win trophies every season. For that reason I signed, so thank you, Joe Cole!"

Cole was playing with Tampa Bay Rowdies in Major League Soccer across the Atlantic.

But after 716 appearances and 104 goals he has decided that enough is enough.

Cole won 56 England caps and is now looking to move into coaching. He said: "After

20 years as a professional, the time has come for me to hang up my boots. It has been a dream come true. All of it.

"Whatever is next, I hope the next two decades are as special as my last 20 years as a professional have been.

"A huge thanks to everyone who helped me along that path."

Cole was a key part of Jose Mourinho's first Chelsea side that won the Premier League in 2004-2005.

He made his debut for West Ham as a 17-year-old and went on to captain the club before heading to Stamford Bridge when the Hammers were relegated.

Cole's last high-profile move was to Liverpool where

he scored five goals in 42 appearances.

He added: "I've been incredibly fortunate to have played with some of the very best players of my era and even more fortunate to call a lot of them friends.

"Winning trophies at Chelsea was particularly special for me. Those memories will live with me forever, as will the chance I had to share them with my family.

"Looking to the future, I want to stay involved in the game. I feel I can offer a lot as a coach.

"To lend my experience to help other young footballers achieve their dreams, just like I did, is a big passion of mine."

PROSPECT: Harry Fry

Black Op can land winning mission

WINNING POST

WITH BEN MORGAN

A BUSY day of action awaits us with three good jump meetings and an interesting Flat card.

Exeter looks to be the most interesting card regards novice hurdlers and chasers and I for one can't wait to see BLACK OP (NAP) reappear over fences.

Tom George's charge proved himself to be a top drawer performer last year when finishing second in the Ballymore before winning at Aintree.

The form of all his races stands up to close inspection and many believe he could ascend right to the top of the chasing ranks this year. This looks the ideal race to start him off in as 2m4f around Exeter should prove the perfect test first time out. He should take this before moving onto better things.

Harry Fry looks to have a decent chaser on his hands in the shape of JUST A STING.

Progressive

He made a pleasing return at Uttoxeter when given a patient ride by Noel Fehily and stayed on well to beat a decent field. Still a lightly raced type, he should improve physically and mentally.

This step up in trip looks sure to suit and I believe it's telling that Fry has kept him back for this big midweek pot, as it looks the perfect next step.

Course winner WHATMORE should give another bold show on the front end today at Bangor. Henry Daly had him pretty fit on debut as he almost made all in a competitive Silver Trophy at Chepstow.

A progressive novice last term has learnt to settle and looks dangerous when making the running. A dead eye hurdler with a long stride should take a lot of beating today as he looks weighted to win a decent pot like this.

I like most others, was very impressed with how much progress JESTER JET made last year and she now rates a serious proposition over fences.

After a break, she made a pleasing debut over fences when running the classy Bags Groove close at Chepstow. The winner has gone on and won again since.

I HOPE HARRY BEATS ME

Wazza roots for Kane to break record

WAYNE Rooney says he hopes to be back at Wembley in 10 years — to celebrate Harry Kane breaking his England scoring record.

The 'Three Lions' current record scorer will make his controversial farewell appearance in a white shirt against the United States tomorrow. But Wazza knows he'll be on the bench while the England captain leads the line.

Rooney has knocked in 53 goals for his country, while Kane is on 19 from just 34 appearances.

At that rate, he will go past the DC United veteran before he hangs up his boots — and that's just what Rooney wants.

He knows it's unusual for a player to come back after a break to say farewell but hopes Kane does the same thing.

Wazza said: "As a country we haven't done anything like this before but I hope that in 10-15 years' time we're doing it for someone like Harry Kane, who could go on to get the goalscoring record."

"Playing at Wembley again is a way for me to be able to say thanks to the fans for all the support

BY ANDY MILLOM

they've given me over the past 15 years.

"It's nice to be back here, turning up and meeting players again. There were some players I haven't played with."

"It was nice to see them and the staff, and the reception they gave me was fantastic. Overall it's great to be back."

Rooney knows it would be a fairytale to hit the target on his final appearance and give Kane an extra goal to find as he chases his total. But he's realistic about his chances, adding: "It's not important."

"It'd be nice, but the main thing is to run out at Wembley one last time and have the opportunity to thank the fans for the years they've supported me."

Right

Rooney knows it's not everyone's choice to see him back in England action — albeit for a late subs appearance in a friendly.

He added: "Everyone's entitled to their opinion. The most important thing is, speaking to the FA, we thought it was right, and the players I spoke to think it's right."

Rooney voiced his support for gaffer Gareth Southgate, even though he did call time on his England career early in the World Cup qualifying campaign.

There's clearly no hard feelings as he said: "He's fearless. A lot of the other managers didn't give the youth an opportunity to express themselves and have an impact. To be fair to Gareth, he's done that."

"He's not only given them experience but belief they can do well and be successful for their country."

"Out of the England managers I've had he's probably the only one who's really brought so many through as a group and deserves a lot of credit for that."

KEY TOFFEES STUCK AT HOME

EVERTON midfielders Gylfi Sigurdsson and Andre Gomes are both out of this week's internationals.

The Icelander has pulled out of the games against Belgium and Qatar.

He picked up an ankle injury after clashing with Jorginho in the weekend draw against Chelsea at Stamford Bridge.

Gomes has established his place in the Toffees midfield since his summer loan move from Barcelona. He took part in the past

By MARK NAYLOR

three games for the Blues and joined up with the Portugal squad for their matches against Italy and Poland.

But he has been sent home by the national team because of bruising.

A statement by the Portugal FA said: "After analysing the tests carried out Monday the health and performance unit considered that Andre Gomes is not

able to work with the national team."

Everton manager Marco Silva will be hoping both men recover in time for the Premier League game against Cardiff on November 24.

Sigurdsson and Gomes have formed a good partnership ahead of Idrissa Gueye as the Toffees have climbed up the Premier League table.

A club statement said of the Iceland playmaker: "Gylfi Sigurdsson and Andre

Gomes will remain at USM Finch Farm this week to continue treatment for respective injuries sustained in Sunday's 0-0 draw at Chelsea."

Everton currently sit ninth in the table with 19 points.

The Toffees made a slow start to the season but have improved with four wins from their past six games in the top flight.

They held their own against Chelsea at the Bridge on Sunday.
